## Sharon Township Board of Trustees

John H. Oberle • Phillip W. Smith • Lindsay S. Duffey

John S. O'Keeffe, Fiscal Officer

Dear Resident,

The Sharon Township Trustees are excited to announce that beginning January 1, 2018, we will be offering curbside recycling with our waste collection service.

We have been working for over a year to find a contract we could opt in to that would both add curbside recycling services and reduce your monthly rate. Our new monthly rate, starting January 2018 will be \$13.92. As a comparison, Worthington pays approximately \$16.45 for the same services.

In addition to saving residents money, a smaller amount of trash at each home will reduce the weight of the trucks on our road.

It is important to note that **to receive recycling services**, residents will need to **OPT IN**. There are two ways to do this.

1. Call the Local Waste office at (614) 409-9375
2. Submit an online request by clicking on the Service Request button under the Contact tab at [www.localwasteservices.com](http://www.localwasteservices.com)

Once you have chosen to receive the services, you will have three ways to place your recycling curbside.

- Request complimentary recycling bins from Local Waste – 18 gallons
- Rent a 65 gallon recycling cart from Local Waste for \$2.50/ month
- Purchase your own container and place a Recycling sticker on it (to be available at Sharon Township Administrative offices). Bins need to be clearly marked, so feel free to take 2 or 3 stickers.

Many materials are recyclable. For a comprehensive list of permitted materials, please go to our website, [www.sharontwp.us](http://www.sharontwp.us)

We are pleased to be able to provide you this service.

John H. Oberle
