

New Date for SR 161 Pavement Repairs

STARTING MONDAY, SEPTEMBER 23: SR 161 will be ONE-WAY EASTBOUND between Linworth Rd. and Olentangy River Rd. for extensive pavement repairs.

The detour for westbound traffic is SR 315 south to Bethel Road to Sawmill Road (see map below).

All eastbound pavement repairs are expected to be complete and all lanes of SR 161 open by the end of October, weather permitting. Next year, SR 161 will be restricted again while the contractor completes the westbound pavement repairs and then resurfaces the road between SR 257 and SR

315.

The \$2.4 million project is expected to be complete in July 2020.
